Login

The screenshot shows a web browser window titled "Login". The page has a light gray background. In the top right corner, there is a navigation bar with links: "Home", "Login", "SignUp", and "AboutUs". The main content area is a darker gray rectangle. Inside this rectangle, there are two labels: "Username" and "Password". Next to "Username" is a text input field with the placeholder text "enter username". Next to "Password" is a text input field with the placeholder text "enter password". Below these fields is a "Login" button. At the bottom of the gray rectangle, there is a link that says "Forgot password? Click Here".

Home

The screenshot shows a web browser window titled "Home". The page has a light gray background. In the top right corner, there is a navigation bar with links: "Home", "Login", "Register", and "AboutUs". The main content area features a large, stylized text box with a light gray background and a thin border. The text inside the box is written in a cursive font and reads: "The health centre is committed to promoting the health and wellness of the members by providing high quality prevention, education and treatment services...".

Add

The 'Add' form is a web interface for adding a new user. It features a blue header bar with the title 'Add' and standard window controls. Below the header, there is a navigation bar with 'Home' and 'Logout' links. The main content area is a light gray box containing a form with two columns of input fields. The left column includes fields for 'First name', 'Gender' (a dropdown menu), 'Job', 'Marital status' (a dropdown menu), 'Aadhar number', 'Pincode', and 'Medical status'. The right column includes fields for 'Last name', 'Date of birth' (a dropdown menu), 'Mail id', 'Phone number', 'Image' (a file upload button labeled 'no file chosen' and 'choose file'), and 'Allergy'. A 'Submit' button is located at the bottom center of the form.

Profile

The 'Profile' page is a web interface for viewing and managing user profiles. It features a blue header bar with the title 'Profile' and standard window controls. Below the header, there is a navigation bar with 'Home', 'Add', 'Booking', 'Notification', and 'Logout' links. The main content area is a light gray box containing three identical profile cards. Each card has a gray square background with a white circle placeholder for a profile picture. Below the circle is a white rectangular button labeled 'details'.

Test form

The 'Test form' window has a title bar with standard window controls. Below the title bar is a navigation menu with links: Home, Profile, Booking, Notification, and Logout. The main content area contains a light beige form box. At the top left of this box is the label 'House name'. Inside the box, there are three rows of form elements: 'Patient's name' with a dropdown menu showing 'select the name', 'Test specimen' with a dropdown menu showing 'select the speci...', and 'Booking date' with a dropdown menu showing 'select the date'. Below these three rows is a 'Confirm' button.

Doctor's registration

The 'Doctor Registration' window has a title bar with standard window controls. Below the title bar is a navigation menu with links: Home, Profile, and Logout. The main content area contains a light beige form box. Inside the box, there are six rows of form elements: 'Name' with a text input field containing 'Doctor's name', 'Specialization' with a dropdown menu showing 'select', 'Image' with a text input field showing 'no file chosen' and a 'choose file' link to its right, 'Phone' with a text input field containing 'enter contact number', 'Email-id' with a text input field containing 'enter email-id', and 'Experience' with a text input field containing 'year of experience'. Below these six rows is a 'Register' button.
